Architecture Building Gallery
September 22-28, 1963

We are proud to present the work of the amateur artists of Illinois.

The eighth annual Illinois Town and Country Art Exhibition reflects the growing interest of Illinois residents in art and craft work.

Fifteen University of Illinois art judges selected pieces at 29 local shows for this exhibition. There are 237 exhibitors from 38 widely scattered Illinois counties represented in the exhibition.

Judges for this exhibit were Professors Peter Bodnar, Harry F. Breen and Donald E. Frith. They awarded blue ribbons to those considered to merit special recognition.

The exhibition is open to the public:

1:00 p.m. to 5:00 p.m., September 22-27

9:00 a.m. to 3:00 p.m., September 28

Many of the paintings are for sale at the prices indicated. Arrangements for purchase should be made with the artist.
